Yuka Tadano

Dancer is the debut album by Japanese bassist and composer **Yuka Tadano's** band **YT little d**.

Tadano is a promising young talent who plays bass with a musical grace and sensitivity that has made her an indemand player in the Dallas/Fort Worth jazz scene.

For her first release as a leader, Tadano assembled a diverse group of musicians from around the world: pianist Roberto Verastegui from Mexico, trumpeter Li Xiaochuan from China, and saxophonist Brian Girley and drummer Stockton Helbing from the United States.

YT little d creates a fresh bold sound by combining the cultural diversity of the band members' backgrounds with their mutual love of jazz. The all original music album travels through a variety of styles and moods while stressing the importance of melodic content amidst improvisational forays.

Dancer is a celebration of life, culture and music. The love and respect that each musician has for the other comes across on every note of this album. Thrilling, exciting and breath taking; **Dancer** is an amazing example of what is possible in modern jazz.

Tadano & YT little d
